

Student Survey – post-placement (Science class)

Thank you for taking the time to complete this pre-placement survey. This survey will help us evaluate and improve the In2science mentoring program. Your responses are confidential and your teacher and mentor will not have access to your responses.

School: _____

Subject: _____

Year Level: _____

Teacher: _____

Gender: **Male / Female / Other**

For the last 8-10 weeks, you have had a volunteer university student helping out in your class. This was your In2science mentor!

How often did you interact with the mentor? Please circle the most appropriate answer

- A. I interacted with the mentor nearly every time they visited.
- B. I interacted with the mentor some of the time.
- C. I never interacted with the mentor.

How did your In2science mentor help you? Please give an example if possible.

PLEASE TURN OVER THE PAGE

	After having an In2science mentor...	Strongly Disagree	Disagree	Neither Agree or Disagree	Agree	Strongly Agree
1	I have more confidence doing science.	1	2	3	4	5
2	I have a better understanding of how many jobs rely on science.	1	2	3	4	5
3	I have a better understanding of the pathways and options available to me in science.	1	2	3	4	5
4	I have a greater understanding of how science relates to my life.	1	2	3	4	5
5	I have new skills to help me solve science problems.	1	2	3	4	5
6	I realise that everyone can study science.	1	2	3	4	5
7	I feel that studying science in VCE is achievable for me.	1	2	3	4	5
8	I feel that studying science at university is achievable for me.	1	2	3	4	5
9	I would like to go to university.	1	2	3	4	5
10	I would like to have a mentor again.	1	2	3	4	5

These questions ask you about your maths classes and how you prefer to learn maths. Please indicate how much you agree or disagree. There are no right or wrong answers.

		Strongly Disagree	Disagree	Neither Agree or Disagree	Agree	Strongly Agree
11	Everyone can understand science if they work at it.	1	2	3	4	5
12	To understand science I discuss it with friends and students.	1	2	3	4	5
13	I enjoy learning science.	1	2	3	4	5
14	I know how to find information to help me answer a science question.	1	2	3	4	5
15	I'm confident I can understand science concepts.	1	2	3	4	5
16	I use science in everyday life.	1	2	3	4	5

These questions ask you about what you'd like to do in the future. Please indicate how much you agree or disagree. There are no right or wrong answers.

		Strongly Disagree	Disagree	Neither Agree or Disagree	Agree	Strongly Agree
17	I want to continue to study science at school.	1	2	3	4	5
18	I plan on choosing a VCE science subject.	1	2	3	4	5
19	Science subjects in VCE are harder than other VCE subjects.	1	2	3	4	5
20	I would like to study science at university.	1	2	3	4	5
21	There are many job opportunities for people who study science.	1	2	3	4	5
22	You only use science in life if you are a scientist.	1	2	3	4	5

Thank you for completing this survey
