*If your placement school has a fortnightly timetable, write in the week numbers (e.g. 'Week 1', 'Week 2', 'Blue week', 'Red week') here.

** If your placement started later, or you missed placement classes (e.g. sick, school sports day), or you simply love joining in with your In2science class, we encourage you to continue your placement after the end of the University semester. Simply let your In2science Coordinator and host teacher know. School Term 4 ends 17th December.
